# Ground broken for National Cemetery

By BOB HUDSON

Herald Sun Writer

stopped to think how many  
have fought and died in our  
nation's service?"

He noted that since the  
founding of the nation, more  
than one million men and  
women have given the nation  
more sacrifice.

"This is an opportunity to  
rededicate ourselves to the  
ideal of the nation," he said.

CAMP WILLIAMS — As he  
and other dignitaries helped  
break ground for the Utah  
State Veterans Memorial  
Park and Freedom Memorial  
Saturday, Gov. Norman H.  
Bangerter quoted Abraham  
Lincoln.

"We cannot dedicate, we  
can only keep the faith  
that what we are doing  
will live.
